Founded in 2002, Cradles to Crayons provides children from birth through age 12, living in homeless or low-income situations, with the essential items they need to thrive— at home, at school and at play. We supply these items free of charge by engaging and connecting communities that have with communities that need. Items are distributed to the children in need via social service agencies such as MA Society for Prevention of Cruelty to Children (MSPPCC), Horizons For Homeless Children, Head Start Programs and many more.

If you have been watching TV, reading, or listening to the radio you know it is back-to-school time. We are inundated with ads showing us what children can’t be without when they enter the school building. Store area filled with school supplies, and clothing that will help students be prepared for the year ahead. Imagine what it must be like for a parent who cannot afford to buy their child something new; imagine what it must be like to say no to your child when he or she wistfully asks for something new for school. And imagine how hard it is for that child who knows he or she cannot ask for anything new.

Many student surveys have been administered over the years in an attempt to understand high absenteeism. And students report that one of the leading causes of skipping school is a feeling of being different, of not belonging, a sense that no one will miss them if they don’t show up. Children living in poverty are at high risk for being that student. We who can afford to buy our children new clothes and supplies do so because we want our children to look good, to feel good going off to school. We know that it helps our children feel that they belong. We want to make sure our children are prepared for the year ahead because being prepared, being comfortable, and feeling part of the community increases the likelihood that students will stay in school and be successful.

The Ready for School campaign is an opportunity to help children in need be prepared for the new school year. Cradles to Crayons welcomes school supplies, clothes including underwear and socks for all students— boys and girls—from the very young preschooler to the early teen middle schooler. No donation is too small nor one too large. Every donation matters.

You may not know the child you help, but please know a child will be Ready for School because of your generosity.

**Suggested Items**

- School Supplies
- Clothing
- any child sizes - male or female
- Underwear, Socks

2016 Festival Volunteer Thank you!

Thanks to everyone who made this year’s St. Mary of the Assumption Festival a huge success! It was a great blessing to have Bishop Dooher, Father Ed, and Deacon Jim all join Father Mark for the Mass and festivities this year. We would like to express our gratitude to all of you who cooked, served, and helped with set-up and clean-up. For those who braved the heat to meet the boat at A Street and walk in the procession, it was a real testament to your faith, love for Our Lady and for our parish. We would also like to especially acknowledge:

Already registered, but possibly have a new address? Please remember to let us know that too!

ARE YOU REGISTERED AT ST. MARY OF THE ASSUMPTION PARISH?

Why Register?

Every Catholic should be registered in a parish. Beside the active support and involvement that the registration enables, the parish registration is also a mandatory condition for many sacraments including Baptism and Matrimony. Some of the benefits of being registered are:

- You may need to receive verification letters to sponsor individuals for sacraments, receive sacraments yourself or your child (i.e. marriage, baptism, First Communion)
- You can receive end of the year tax contribution statements.
- You may be personally invited to gatherings to meet the staff and other parishioners.
- The parish will know the demographics and respond to needs.

Please send me a Parish Registration Form
