I, the undersigned, lawful parent/guardian of the minor youth named above, request my child be allowed to participate in the activities associated with St. Mary of the Assumption Parish. I give permission for my child to participate in these activities and to be transported to and from the activities by private transportation, public transportation, or by walking.

I further agree to indemnify and hold harmless the Roman Catholic Archdiocese of Boston (a corporation sole), its priests, employees, and agents against any and all liability, costs, claims, loss, or damage which may result from any accident or injury to the youth named above.

I also authorize the coordinators or adult chaperones to seek, for the above named child, any emergency treatment they deem necessary, in the event an injury or accident occurs, after every effort has been made to contact the parent or guardian. I have counseled my child, named above, on the prohibition of alcohol and/or drugs during any church sponsored event. I agree to provide or arrange for immediate return transportation for my child at my own risk and expense should he/she break the rule or behave in a disrespectful or dangerous manner in the opinion of the coordinator or adult chaperons.
